## PROGETTO ESECUTIVO

The architectural site plan illustrates the layout of the Olympic Village for the 2000 Sydney Games. Key features include:

- STADIO BASEBALL**: The Baseball Stadium, located in the upper right quadrant.
- PALAZZETTO DELLO SPORT**: The Sports Centre, a large rectangular building with a hatched pattern, located in the center.
- INGRESSO USCITA CANTIERE**: The Construction Site Entrance/Exit, marked with a green arrow in the upper left.
- VIA DELLO OLIMPO**: The Olympic Way, a major road running vertically through the center.
- VIA E**: A road running horizontally across the middle.
- VIA D**: A road running horizontally across the bottom.
- VIA C**: A road running horizontally across the top.
- VIA B**: A road running horizontally across the middle-left.
- VIA A**: A road running horizontally across the bottom-left.
- VIA F**: A road running horizontally across the top-right.
- VIA G**: A road running horizontally across the middle-right.
- VIA H**: A road running horizontally across the bottom-right.
- VIA I**: A road running horizontally across the top-left.
- VIA J**: A road running horizontally across the middle-top.
- VIA K**: A road running horizontally across the bottom-top.
- VIA L**: A road running horizontally across the top-bottom.
- VIA M**: A road running horizontally across the middle-bottom.
- VIA N**: A road running horizontally across the bottom-bottom.
- VIA O**: A road running horizontally across the top-bottom.
- VIA P**: A road running horizontally across the middle-bottom.
- VIA Q**: A road running horizontally across the bottom-bottom.
- VIA R**: A road running horizontally across the top-bottom.
- VIA S**: A road running horizontally across the middle-bottom.
- VIA T**: A road running horizontally across the bottom-bottom.
- VIA U**: A road running horizontally across the top-bottom.
- VIA V**: A road running horizontally across the middle-bottom.
- VIA W**: A road running horizontally across the bottom-bottom.
- VIA X**: A road running horizontally across the top-bottom.
- VIA Y**: A road running horizontally across the middle-bottom.
- VIA Z**: A road running horizontally across the bottom-bottom.

The plan is color-coded with yellow, green, and blue areas, and includes a scale bar and a north arrow.
